K2fly Signs Rio Tinto for RCubed Solution

Highlights

- Rio Tinto have signed a five-year contract with K2fly for the RCubed Mineral Resource and Reserve Solution across 20 reporting sites.
- The total contract value is for over AU \$1,450,000 including annual software subscriptions for the five-year term and the initial implementation fees.
- Contract signing demonstrates recognition of our RCubed solution by a Tier 1 mining company.

K2fly Ltd (**K2fly**) is delighted to announce that Rio Tinto have signed a five-year contract to implement the RCubed Mineral Resource and Reserve solution across 20 sites globally. Implementation will commence immediately. The total contract value, including initial implementation costs, is for AU \$1.45M.

The RCubed solution will replace an inhouse system and will assist Rio Tinto in providing mineral resources and ore reserves reporting and governance for its shareholders and regulators.

Nic Pollock K2fly Chief Commercial Officer said that “Rio Tinto’s signing represents a significant milestone for K2fly and is further recognition from a Tier 1 miner that our RCubed solution represents the most compelling offering in Resource Governance solutions. We are extremely proud to be working with such an industry leader.”

The Rio Tinto contract further increases the strong ARR Growth that K2fly SaaS business is experiencing of 150% CAGR over the last 4 quarters in which Q1 was up by 27% from Q4 FY19.
