## 1. INTRODUCTION

K2fly Limited (K2F or the Company) acknowledges the positive outcomes and corporate benefits that can be achieved through a diverse workplace, including the ability to attract, retain and motivate directors, officers and employees from the widest possible pool of available talent.

K2F recognises and utilises the contribution of diverse skills and talent from its officers and employees. K2F also recognises that in order to have a properly functioning diverse workplace, discrimination, bullying, harassment, vilification and victimisation cannot and will not be tolerated.

This policy supports K2F's statement of values and operates in conjunction with the law and the K2F's policies which foster a fair and inclusive workplace.

This policy applies to all officers, employees and all people who work at K2F, including contractors and consultants.
